---

There are two changes to the form titled, "Number of Registered Voters in Selected Non-Qualified Political Bodies as of September 4, 2007" provided in the 154-day Presidential Primary Report of Registration package mailed to all counties in CCROV 07119 on August 22, 2008.

1. The American Eagle Party submitted a notice to the Secretary of State of their attempt to qualify as a political party for the June 3, 2008 statewide direct primary election (refer to CCROV 07122-*not enclosed*).
2. The Neuroscience Party submitted a notice to the Secretary of State that their party has dissolved. They have changed their name to Superhappy Evolution and Neuroscience Party and notified the Secretary of State of their attempt to qualify as a political party for the June 3, 2008 statewide direct primary election (refer to CCROVs 07123 and 07124-*not enclosed*).

Please discard the form titled, "Number of Registered Voters in Selected Non-Qualified Political Bodies as of September 4, 2007" provided in the 154-day Presidential Primary Report of Registration package mailed to all counties in CCROV 07119 4.

Enclosed is an updated form with the same title that adds the American Eagle Party (AEP) reflects the name change of the Neuroscience Party to Superhappy Evolution and Neuroscience Party (SEN).

Please be sure to report the registration totals for the *Non-Qualified Political Bodies* attempting to qualify for the June 2008 Primary Election, **using the updated form.**

These numbers should be reflected in the appropriate districts and cities in your "Miscellaneous" column.
